WordPress › Installation - Brave
localhost:8080/wp-admin/install.php?step=1
Welcome
Welcome to the famous five-minute WordPress installation process! Just fill in the information below and you'll be on your way to using the most extendable and powerful personal publishing platform in the world.
Information needed
Please provide the following information. Do not worry, you can always change these settings later.
Site Title
daemon
Username
daemon_crew
Usernames can have only alphanumeric characters, spaces, underscores, hyphens, periods, and the @ symbol.
Password
crew@daemon123
Hide
Medium
Important: You will need this password to log in. Please store it in a secure location.
Your Email
Double-check your email address before continuing.
